Interests Activities

We are interested in what you do / have done outside your academic work.

Please record your non-academic interests and activities stating whether at school, college, university or elsewhere. Record any positions of responsibility you have held in any aspect of your life. (300 word limit imposed) *

i have participated in the quest by unilever mashreq and had awesome time enjoying teamwork and gathering much experience and also i have participated in organizing honoring day for excellent student and honored for having excellent grade in the accounting subject

These questions tell us something about how you respond in challenging situations. Please answer them using examples from your experiences in academic, social or working life

1. Please tell us about experiences and people that have over time shaped your decision to consider a management career within Unilever and in your chosen function in particular. What efforts have you made to test out your choices?(300 word limit imposed) *

in my first participation in the quest by unilever i have learned how to work in team and coordinate our activities to get things done and also i have gathered much experience about the production process, at last it was amazing experience that i have ever had and i wish to continue with Unilever to get more and more and be part of this amazing organization

2. Using an example of a time when you were in a new environment and had to achieve a task, please describe a) how you established and used a network of contacts, and b) how you set about influencing people, to help you achieve your task. (500 word limit imposed) *

when i was at the quest the lecturer was speaking about things that was taken in the summer internship and i had no idea about it so i had to meet some people who were at the internship to help me understanding what the lecturer saying and at last i get things done and achieved my goal to learn

3. Tell us about an occasion when you have taken the initiative to learn and develop yourself in significantly new ways. Why did you want to do this, what did you do and what was the result?(300 word limit imposed) *

many times i felt that i am an ignorant person and every time i felt this way i go and read about it and learn how to deal with many situations and i think that it is a good point that i always like to search and learn more things and i find it good and helpful

4. Tell us about a time when you saw the opportunity to really make a difference for the future of an activity, team or organization. What did you do, what obstacles did you overcome, and what happened as a result? (300 word limit imposed) *

i have never interacted with such situation but i think that the obstacles that i will face that, an organization don't give me the opportunity of the interview

5. Tell us about a time when you have had to analyse and understand a complex situation in order to make decisions and put a plan into action. What did you do and what was the outcome? (300 word limit imposed) *

i said before that, at the quest the lecturer was talking about things that was at the summer internship so i had to analyse the situation and found a solution that i must meet someone who were in the summer internship to help me to overcome the things that i don't understand and that was great and the outcome was understanding many things

General
