I am interested in volunteering work I am a volunteer in E-w eb which is a non-profitable scientific organization in faculty of engineering Alexandria university my position is (vice marketing)

These questions tell us something about how you respond in challenging situations. Please answer them using examples from your experiences in academic, social or working life

1. Please tell us about experiences and people that have over time shaped your decision to consider a management career within Unilever and in your chosen function in particular. What efforts have you made to test out your choices?(300 word limit imposed) *

I want to enhance my experience with Unilever by joining the internship in my field of engineering as a mechanical engineer or in the field that I am interested in which is the marketing field.

2. Using an example of a time when you were in a new environment and had to achieve a task, please describe a) how you established and used a network of contacts, and b) how you set about influencing people, to help you achieve your task. (500 word limit imposed) *

I tried to be more social to work easily with my team work and we became closer to each other, then we started our tasks we were all having the same goals, so it was easy for us to help each other to achieve our tasks the tasks were divided between all of us as everyone had to finish something in it, and at the end we gathered to finish the task generally and send it to our head.

3. Tell us about an occasion when you have taken the initiative to learn and develop yourself in significantly new ways. Why did you want to do this, what did you do and what was the result?(300 word limit imposed) *

I tried to learn photoshop by myself, as I am interested in editing photos and designing. I checked the interface of the PS and learned about it by searching for it through the internet and some videos on youtube. finally I succeeded in using photoshop in some works perfectly.

4. Tell us about a time when you saw the opportunity to really make a difference for the future of an activity, team or organization. What did you do, what obstacles did you overcome, and what happened as a result? (300 word limit imposed) *

It was about a project in my previous academic year as my team work was supposed to make a small robot it was the first time for all of us to do this task and we searched for the project on the internet and learned about it then we applied what we studied in the academic year on it and we had got the materials of it then we finished it and gave it to our doctor in our oral exam and we had high marks on it after asking us some questions about it.

5. Tell us about a time when you have had to analyse and understand a complex situation in order to make decisions and put a plan into action. What did you do and what was the outcome? (300 word limit imposed) *

it was about a task that wasn't delivered to me from someone in the social work and the choice was to do it by myself or not and I had discussed that with my team work, then we decided to do it and help each other to finish urgently and we succeeded in that.
