Work Experience

Please give details of any work you have undertaken, indicating whether full-time, part-time, vacation work or industrial training etc (most recent positions first).

Interests Activities

We are interested in what you do / have done outside your academic work.

Please record your non-academic interests and activities stating whether at school, college, university or elsewhere. Record any positions of responsibility you have held in any aspect of your life. (300 word limit imposed) *

I'm interested in the civil work, I work in activities and publications committees in E-WEB, a scientific community in faculty of engineering, Alexandria university and i was a delegate in Alexandria model united nations 2014 in addition to other organizing and logistics activities.

These questions tell us something about how you respond in challenging situations. Please answer them using examples from your experiences in academic, social or working life

1. Please tell us about experiences and people that have over time shaped your decision to consider a management career within Unilever and in your chosen function in particular. What efforts have you made to test out your choices?(300 word limit imposed) *

-I attended a session in 2011 in the faculty of engineering for a unilever member, unfortunately i don't remember his position, but i liked how he changed his career from engineering to management and i decided to walk in his steps. Then Mr. Alaa hasaballah, media relations/campaigns manager, unilever mashreq gave us a session in the opening of the united nations model, and i was inspired by the workflow of unilever.

2. Using an example of a time when you were in a new environment and had to achieve a task, please describe a) how you established and used a network of contacts, and b) how you set about influencing people, to help you achieve your task. (500 word limit imposed) *

a) i need to have a group of people i trust that they have the criteria to help me achieve this task. b) i have to make them feel that i'm not here to give them orders and tasks then get the credits. I will work with them as a member of the group and encourage them to give their best.

3. Tell us about an occasion when you have taken the initiative to learn and develop yourself in significantly new ways. Why did you want to do this, what did you do and what was the result?(300 word limit imposed) *

I applied in the united nations model by the chance in fact, i accepted and i decided to continue this model in order to improve my language. but i what i learnt was more than that, i improved my communication, leadership, convincing and many other skills.

4. Tell us about a time when you saw the opportunity to really make a difference for the future of an activity, team or organization. What did you do, what obstacles did you overcome, and what happened as a result? (300 word limit imposed) *

I participated in planning and organizing many successful events like Atlantis research track and sessions that were very useful to the students and there is many other programs that i currently work on.

5. Tell us about a time when you have had to analyse and understand a complex situation in order to make decisions and put a plan into action. What did you do and what was the outcome? (300 word limit imposed) *

I was in a team of 10 students that we had to do a research and a presentation about safety in petroleum factories, we were all not ready till the time of presentation is determined to be very soon, i decided that i will prepare in this short time and make the presentation, and we got 10/10 as a result.
