These questions tell us something about how you respond in challenging situations. Please answer them using examples from your experiences in academic, social or working life

1. Please tell us about experiences and people that have over time shaped your decision to consider a management career within Unilever and in your chosen function in particular. What efforts have you made to test out your choices?(300 word limit imposed) *

Unilever is a multinational consumer goods company, any student hope to be an intern at this great company. I'm so ambitious and looking forward to being a CEO of Unilever in the near future. When I participated in TEDxCairo conference my vision and many points in my character have been changed, really it was the most inspiring day. In addition, my experience in applying for Türkiye Bursları Scholarships changed me completely, I passed 1st phase in selection process. I'm planning to get a Master degree in Economics after graduation and this internship will help me so much. I have previous summer internship in Banking Field but it's not my career goal... I'm sure.

2. Using an example of a time when you were in a new environment and had to achieve a task, please describe a) how you established and used a network of contacts, and b) how you set about influencing people, to help you achieve your task. (500 word limit imposed) *

- Before attending TEDxCairo conference I got involved in TEDx Community on social media, I established a network of TEDians and I had an idea of making TEDxASU at my university Ain Shams. Why not! I could influence others to my idea and my way of thinking, I had met some of TEDians and succeeded to establish a network. Now I have a team that will help me to turn my idea into reality. - I am volunteer and member in Egypt Scholars Lab, I was responsible for making a team for scholarships committee and I made a team consists of 4 members: Data Analysis Data Mining Vice Head Coordinator and I succeeded to make a proposal for my committee to the supervisor and this lab about how to do a research and write a scientific paper.

3. Tell us about an occasion when you have taken the initiative to learn and develop yourself in significantly new ways. Why did you want to do this, what did you do and what was the result?(300 word limit imposed) *

I have taken some courses on MOOC Websites like Coursera and edX. also I applied for turkey scholarships and I passed 1st phase, I will keep trying and I will apply again.

4. Tell us about a time when you saw the opportunity to really make a difference for the future of an activity, team or organization. What did you do, what obstacles did you overcome, and what happened as a result? (300 word limit imposed) *

I think I didn't see this opportunity till now, but I'm trying to do my best in any position, organization and activity.

5. Tell us about a time when you have had to analyse and understand a complex situation in order to make decisions and put a plan into action. What did you do and what was the outcome? (300 word limit imposed) *

I was trying to make a Fundraising event for cancer patients with my team, it was so complex idea. We were responsible for making a sponsorship proposal for companies and organization and finish many tasks to be legal organization, I know I couldn't finish my event but we could overcome many of obstacles.
