Work Experience

Please give details of any work you have undertaken, indicating whether full-time, part-time, vacation work or industrial training etc (most recent positions first).

Interests Activities

We are interested in what you do / have done outside your academic work.

Please record your non-academic interests and activities stating whether at school, college, university or elsewhere. Record any positions of responsibility you have held in any aspect of your life. (300 word limit imposed) *

i have joined AYB club at the GUC (Alashanek ya Balady) as a public relation member, we have done many activities related to the Egyptian society and we have done some projects at the GUC that emphasizes for example recycling and others. Also i was an economic delegate at MOIC (Model organization of islamic conference, at this club i attended economic lectures which are related to the economic position of different countries and so forth.

These questions tell us something about how you respond in challenging situations. Please answer them using examples from your experiences in academic, social or working life

1. Please tell us about experiences and people that have over time shaped your decision to consider a management career within Unilever and in your chosen function in particular. What efforts have you made to test out your choices?(300 word limit imposed) *

I got 98% in thanaw eyya amma, and my score allowed me to join Ain Shams- Engineering, however i liked the management technology career and i was interested in joining the GUC. one of Unilever's members (Mr.Khaled Akl) gave us a session about the company, therefore i was interested to join this career

2. Using an example of a time when you were in a new environment and had to achieve a task, please describe a) how you established and used a network of contacts, and b) how you set about influencing people, to help you achieve your task. (500 word limit imposed) *

GUC is very strict about deadlines, so at my first year i was worried about this german policy, however a well managed time and plan can help in this situation. i can tell that at each project we have to assure that we meet the deadline through working hard, of course there are some group members that do not adhere to that, however it's a group work that have to be submitted, so we should work on it even if the work is doubled!

3. Tell us about an occasion when you have taken the initiative to learn and develop yourself in significantly new ways. Why did you want to do this, what did you do and what was the result?(300 word limit imposed) *

I had an opportunity to join Janadan nursery as a teacher for a summer program, it was a very interesting opportunity to join such a program. it taught me how to deal with different people and kids

4. Tell us about a time when you saw the opportunity to really make a difference for the future of an activity, team or organization. What did you do, what obstacles did you overcome, and what happened as a result? (300 word limit imposed) *

joining the nursery of Janadan and having the opportunity to deal with children, encouraged me to know more about children and their psychology and thinking, and i was then given the chance to search for a better strategies that people should use to deal with their children

5. Tell us about a time when you have had to analyse and understand a complex situation in order to make decisions and put a plan into action. What did you do and what was the outcome? (300 word limit imposed) *

a complex situation for me, was whether to join AinShams- Engineering or Management Technolgy. different people around me encouraged me to join engineering, however i was interested in knowing more about Marketing, Human resources, and Operations that any company processes go through
