We are interested in what you do / have done outside your academic work.

Please record your non-academic interests and activities stating whether at school, college, university or elsewhere. Record any positions of responsibility you have held in any aspect of your life. (300 word limit imposed) *

i'm customer relationship mangement head at student activity in ain shams university faculty of engineering. i'm a member at industrial development team in my college at microproject committe.

These questions tell us something about how you respond in challenging situations. Please answer them using examples from your experiences in academic, social or working life

1. Please tell us about experiences and people that have over time shaped your decision to consider a management career within Unilever and in your chosen function in particular. What efforts have you made to test out your choices?(300 word limit imposed) *

2. Using an example of a time when you were in a new environment and had to achieve a task, please describe a) how you established and used a network of contacts, and b) how you set about influencing people, to help you achieve your task. (500 word limit imposed) *

at my traings i often don't know any one day by day with breaking ice and working with cooperation and understanding eachother, i had alot of friend from all my training .

3. Tell us about an occasion when you have taken the initiative to learn and develop yourself in significantly new ways. Why did you want to do this, what did you do and what was the result?(300 word limit imposed) *

i w as realy shy so i w anted to be a crm member in the previous year to speak with people and break the ice w hith myself ihave learned presentation skills,neogotiation skills and interview ing skills after training and trainin, i'm now customer relationship management Head and train 20 members and teach them w hat i learned.

4. Tell us about a time when you saw the opportunity to really make a difference for the future of an activity, team or organization. What did you do, what obstacles did you overcome, and what happened as a result? (300 word limit imposed) *

at industry development team our aim is to develop the egyptian industry and egypy w ould be the first industrial country, it is seems to be impossible ,and there are a lot of problems to deal w ith but our dreams w ill make the differenc and we w ill try.

5. Tell us about a time when you have had to analyse and understand a complex situation in order to make decisions and put a plan into action. What did you do and what was the outcome? (300 word limit imposed) *

at my training in nissan motor egypt, it is a challenge to me to do my work and choose my project ihad to do a plan and reach my goal to complete my project and i did.
