These questions tell us something about how you respond in challenging situations. Please answer them using examples from your experiences in academic, social or working life

1. Please tell us about experiences and people that have over time shaped your decision to consider a management career within Unilever and in your chosen function in particular. What efforts have you made to test out your choices?(300 word limit imposed) *

Due to my experience in the te data last year and meeting the people their and learning from my mentor made me like the netw orks field even more and i decided to go bigger next time and apply in multinational companies like unilever

2. Using an example of a time when you were in a new environment and had to achieve a task, please describe a) how you established and used a network of contacts, and b) how you set about influencing people, to help you achieve your task. (500 word limit imposed) *

It w as during a project and i w orked with people i didn't know some of my leadership and communication skills with my new colleagues and we ended up achieving our goal due to our cooperation and i gained a couple of new acquaintances

3. Tell us about an occasion when you have taken the initiative to learn and develop yourself in significantly new ways. Why did you want to do this, what did you do and what was the result?(300 word limit imposed) *

In the illiteracy program i had a fellow member w ho was not able to connect to the students on the emotional and psychological level so i talked to her and to my head and we fixed it

4. Tell us about a time when you saw the opportunity to really make a difference for the future of an activity, team or organization. What did you do, what obstacles did you overcome, and what happened as a result? (300 word limit imposed) *

Same as above

5. Tell us about a time when you have had to analyse and understand a complex situation in order to make decisions and put a plan into action. What did you do and what was the outcome? (300 word limit imposed) *

At the end of high i had to decide w hat college i w ant join an w hat future i w ant for myself it w as a tough decision but i managed to overcome it
