I participate in the Quest and it was a great experience. I had lots of fun. I also had a training at Suez Canal Bank at Smouha branch and it was so benefit for me special at some courses in the last semester.

These questions tell us something about how you respond in challenging situations. Please answer them using examples from your experiences in academic, social or working life

1. Please tell us about experiences and people that have over time shaped your decision to consider a management career within Unilever and in your chosen function in particular. What efforts have you made to test out your choices?(300 word limit imposed) *

Unilever is a worldwide company I would like to have a career position after I graduate from college. I also went to the Quest because I am interested about everything at Unilever. about the summer training I am sure that I'll get a lot of benefits from it and it will enhance my CV.

2. Using an example of a time when you were in a new environment and had to achieve a task, please describe a) how you established and used a network of contacts, and b) how you set about influencing people, to help you achieve your task. (500 word limit imposed) *

When I first went to Arab Academy For Science And Technology it was really hard to communicate with the people and understand what the doctors are explaining but then I started to communicate with new friends and I started to study well. I got a GPA of 3.4 the way to success is working as hard as you can.

3. Tell us about an occasion when you have taken the initiative to learn and develop yourself in significantly new ways. Why did you want to do this, what did you do and what was the result?(300 word limit imposed) *

I took some courses to improve my English accent. I am looking forward to study CPA and CMA.

4. Tell us about a time when you saw the opportunity to really make a difference for the future of an activity, team or organization. What did you do, what obstacles did you overcome, and what happened as a result? (300 word limit imposed) *

The Quest was the opportunity that really made a difference, it was completely benefit.

5. Tell us about a time when you have had to analyse and understand a complex situation in order to make decisions and put a plan into action. What did you do and what was the outcome? (300 word limit imposed) *

This happened in the projects I have to do in my college. I have to work in groups and I have to sometimes go to the company or the bank I am making my project about. About the outcome it was great everytime.
