Interests Activities

We are interested in what you do / have done outside your academic work.

Please record your non-academic interests and activities stating whether at school, college, university or elsewhere. Record any positions of responsibility you have held in any aspect of your life. (300 word limit imposed) *

I participated in many events concerning charity work in the past two years.

These questions tell us something about how you respond in challenging situations. Please answer them using examples from your experiences in academic, social or working life

1. Please tell us about experiences and people that have over time shaped your decision to consider a management career within Unilever and in your chosen function in particular. What efforts have you made to test out your choices?(300 word limit imposed) *

After participating in the quest and discovering how the company is managed and how the employees and managers work together to achieve the company mission ,I got impressed by all of the managers and their high qualifications and abilities to handle their employees especially in the departments of Finance and Human resources.

2. Using an example of a time when you were in a new environment and had to achieve a task, please describe a) how you established and used a network of contacts, and b) how you set about influencing people, to help you achieve your task. (500 word limit imposed) *

During the quest we had a mission develop a new innovative marketing strategy for some products, so we met different people to ask them about their opinion about the products and we met with people in the marketing field for new ideas concerning Ads, product packaging and new creative ideas.

3. Tell us about an occasion when you have taken the initiative to learn and develop yourself in significantly new ways. Why did you want to do this, what did you do and what was the result?(300 word limit imposed) *

Microsoft skill courses.

4. Tell us about a time when you saw the opportunity to really make a difference for the future of an activity, team or organization. What did you do, what obstacles did you overcome, and what happened as a result? (300 word limit imposed) *

For me joining the quest was a life changing experience, where it helped to to decide the path i want to continue in my post graduate career.

5. Tell us about a time when you have had to analyse and understand a complex situation in order to make decisions and put a plan into action. What did you do and what was the outcome? (300 word limit imposed) *

During a marketing project in college we had to analyze the marketing department of a company that had a very weak organizational structure and insignificant goals, so as a result it was very hard to manage the project but i was able with the help of my team to give very good recommendations and suggestions for the company to take advantage of their strengths and opportunities.
