These questions tell us something about how you respond in challenging situations. Please answer them using examples from your experiences in academic, social or working life

1. Please tell us about experiences and people that have over time shaped your decision to consider a management career within Unilever and in your chosen function in particular. What efforts have you made to test out your choices?(300 word limit imposed) *

in fact there is no experience or people shaped my decision BOOKS, changed my life to the better, decisions.... i love reading a lot and that helping me to choose my function.

2. Using an example of a time when you were in a new environment and had to achieve a task, please describe a) how you established and used a network of contacts, and b) how you set about influencing people, to help you achieve your task. (500 word limit imposed) *

when am in a new environment fist off i'll be friendly w ith the people and that will help me to ask them helping me achieve what i want.

3. Tell us about an occasion when you have taken the initiative to learn and develop yourself in significantly new ways. Why did you want to do this, what did you do and what was the result?(300 word limit imposed) *

i like to learn and develop my self more and more because i like to be the best so i must to do the best to be the best as to learn new language i must to be persevering to differentiate my self

4. Tell us about a time when you saw the opportunity to really make a difference for the future of an activity, team or organization. What did you do, what obstacles did you overcome, and what happened as a result? (300 word limit imposed) *

when i would like to do something i'll never feel the obstacles one day i decided to ride a bike and i asked my dad to help me i remember very well how many times i injured, fell from the bike.... but now am professional and can help any one to ride a bike

5. Tell us about a time when you have had to analyse and understand a complex situation in order to make decisions and put a plan into action. What did you do and what was the outcome? (300 word limit imposed) *

i think now am trying to analyse and understand a complex situation that is (my exams will be after 15 days) so i'll organize my time very well and put a plan, determine a specific time for each subject as i did in the last year and the grade will be very good as the last year or i'll do more effort this year to be excellent
