Work Experience

Please give details of any work you have undertaken, indicating whether full-time, part-time, vacation work or industrial training etc (most recent positions first).

Interests Activities

We are interested in what you do / have done outside your academic work.

Please record your non-academic interests and activities stating whether at school, college, university or elsewhere. Record any positions of responsibility you have held in any aspect of your life. (300 word limit imposed) *

I stressed to evolve my skills by studying courses, Especially those relating to information technology outside my academic study.

These questions tell us something about how you respond in challenging situations. Please answer them using examples from your experiences in academic, social or working life

1. Please tell us about experiences and people that have over time shaped your decision to consider a management career within Unilever and in your chosen function in particular. What efforts have you made to test out your choices?(300 word limit imposed) *

Dad is encouraging me to enter this field, which I soon loved it. Also that the Organization of Unilever will help me a lot in developing my skills, I think I owned a lot of the ingredients for submission.

2. Using an example of a time when you were in a new environment and had to achieve a task, please describe a) how you established and used a network of contacts, and b) how you set about influencing people, to help you achieve your task. (500 word limit imposed) *

I invariably found out who the top players were and then went about convincing them that I could and would be a top contributor in our shared effort.

3. Tell us about an occasion when you have taken the initiative to learn and develop yourself in significantly new ways. Why did you want to do this, what did you do and what was the result?(300 word limit imposed) *

Of course, anyone who desires to raise his skills and I possess the determination to train my skills so it will have the initiative to read and prepare myself

4. Tell us about a time when you saw the opportunity to really make a difference for the future of an activity, team or organization. What did you do, what obstacles did you overcome, and what happened as a result? (300 word limit imposed) *

For sure I'd be so glad because this achievement will be added to the organization, this feeling we'll draw to him after overcoming many obstacles such as time and competitors organization... etc..

5. Tell us about a time when you have had to analyse and understand a complex situation in order to make decisions and put a plan into action. What did you do and what was the outcome? (300 word limit imposed) *

Should pay attention to two primary factors: the time and making sure the extent of the data so as to obtain the best possible analysis of the credibility of the data, make sure to diversify its sources and inevitably lead to the best possible analysis under complex.
