Work Experience

Please give details of any work you have undertaken, indicating whether full-time, part-time, vacation work or industrial training etc (most recent positions first).

Interests Activities

We are interested in what you do / have done outside your academic work.

Please record your non-academic interests and activities stating whether at school, college, university or elsewhere. Record any positions of responsibility you have held in any aspect of your life. (300 word limit imposed) *

Volunteer in Red Crescent Society, Head of school daily radio program, Excellent at the art of Oratory and drawing, Running on the Mediterranean coast in the morning is an integral part of my holiday's activity.

These questions tell us something about how you respond in challenging situations. Please answer them using examples from your experiences in academic, social or working life

1. Please tell us about experiences and people that have over time shaped your decision to consider a management career within Unilever and in your chosen function in particular. What efforts have you made to test out your choices?(300 word limit imposed) *

I interested in the field of Business Administration specially marketing Professors in marketing department enhanced me to choose this field as my future career I attended events offered by faculty to enrich my knowledge about my choice

2. Using an example of a time when you were in a new environment and had to achieve a task, please describe a) how you established and used a network of contacts, and b) how you set about influencing people, to help you achieve your task. (500 word limit imposed) *

Preparing a small business model to represent it in front of arbitration committee I established a network of contacts by dividing a work based on individuals' specialty, For example; some of work goes to engineers and some of it goes to web designers ... etc. I enhanced all the team via final project gift

3. Tell us about an occasion when you have taken the initiative to learn and develop yourself in significantly new ways. Why did you want to do this, what did you do and what was the result?(300 word limit imposed) *

Joining online Global Entrepreneurship course offered by Taylor's University in Malaysia TO know some of generally accepted principles of Entrepreneurship concept Attending online lectures in time and doing all quizzes Now I am preparing for my final project

4. Tell us about a time when you saw the opportunity to really make a difference for the future of an activity, team or organization. What did you do, what obstacles did you overcome, and what happened as a result? (300 word limit imposed) *

Applying for Porto business school via academic exchange program between my university and European universities Traveling abroad and life alone without my family that is a big obstacle for that grant By the end of April I'm waiting final acceptance result of that grant

5. Tell us about a time when you have had to analyse and understand a complex situation in order to make decisions and put a plan into action. What did you do and what was the outcome? (300 word limit imposed) *

Choosing my major specialty department, I studied every department issues and read about career that every department offer, finally i reached to a decision to choose Business Administration as my specialty versus the will of my family and friends
