I knew about the training from one of my professors at college, so I read about your company to know more details. I felt that working with you will give me more experience and I hope to join your team.

2. Using an example of a time when you were in a new environment and had to achieve a task, please describe a) how you established and used a network of contacts, and b) how you set about influencing people, to help you achieve your task. (500 word limit imposed) *

At the beginning of my work at Senghor University, I wanted to win my director trust, so I worked hard. a) I introduced myself to my colleagues, and I got to know them closely to get in touch with them quickly. Then, I used this network to work hard together to be an effective team. b) I began to motivate them and I proposed a new ideas to do the job skillfully in less time.

3. Tell us about an occasion when you have taken the initiative to learn and develop yourself in significantly new ways. Why did you want to do this, what did you do and what was the result?(300 word limit imposed) *

I was learning how to design a website. I wanted to do this because this career require a combination of skill in visual design and proficiency with technology, and I needed to possess general design skills. I took a course, I asked a friend who is a web designer to help me and I took some help from "w3schools" site. The result: I can design website with several pages and many looks.

4. Tell us about a time when you saw the opportunity to really make a difference for the future of an activity, team or organization. What did you do, what obstacles did you overcome, and what happened as a result? (300 word limit imposed) *

I was a rotaract member. I suggested a new ideas to the club members to help orphans. We had no money but we made an event on facebook and we invited all our friends and family to donating. We made a big party for the orphans and they enjoyed it.

5. Tell us about a time when you have had to analyse and understand a complex situation in order to make decisions and put a plan into action. What did you do and what was the outcome? (300 word limit imposed) *

Last term at college my grandmother died at the same time of my final exams. I was depressed and I didn't want to do anything, but I remembered that I have responsibilities and I shouldn't let my group down, so I made a small schedule for my exams and presentations and I put a plan to finish my study at the time; I did all of these and what in my mind that if my grandmother was alive she would be happy of what I am doing. The outcome was that my GPA last term is: 2.98
