i had attended a photography course as i've been so interested in the photography courses, i'd also attended a Marketing course that was supported by AUC . i always like to try a new activities and new hobbies !.

These questions tell us something about how you respond in challenging situations. Please answer them using examples from your experiences in academic, social or working life

1. Please tell us about experiences and people that have over time shaped your decision to consider a management career within Unilever and in your chosen function in particular. What efforts have you made to test out your choices?(300 word limit imposed) \*

Since I got into college I always liked the idea of having new experiences and starting some trainings to gain the required experience for the work field now a days . My friends and my mother always encouraged me to go on with these courses and trainings and I always had their support

2. Using an example of a time when you were in a new environment and had to achieve a task, please describe a) how you established and used a network of contacts, and b) how you set about influencing people, to help you achieve your task. (500 word limit imposed) \*

At first when I joined the college it wasn't an easy task to adapt to the new environment but then I started to have some contacts and friends which helped me during my projects and my to be done tasks I got them to help me as of being helpful to them too

3. Tell us about an occasion when you have taken the initiative to learn and develop yourself in significantly new ways. Why did you want to do this, what did you do and what was the result?(300 word limit imposed) \*

I had to develop myself in getting the best out of me into a specific project which probably took me some time but when we work in groups we divide the work task into small tasks and each member has to give it his best and that's why it gets to be the best

4. Tell us about a time when you saw the opportunity to really make a difference for the future of an activity, team or organization. What did you do, what obstacles did you overcome, and what happened as a result? (300 word limit imposed) \*

There was a time when I had that specific project at college that I had to report but I really wanted to get outside the box and try to get to make the project in a new way . A way that is so different from the routine ways but obviously it was so hard and I was terrified to fail but surprisingly the results were great

5. Tell us about a time when you have had to analyse and understand a complex situation in order to make decisions and put a plan into action. What did you do and what was the outcome? (300 word limit imposed) \*

first of all i will analyse the situation and then i will put all decisions probabilities for this situation and then i going to choose the best solution in order to make a balanced decisions.
