We are interested in what you do / have done outside your academic work.

Please record your non-academic interests and activities stating whether at school, college, university or elsewhere. Record any positions of responsibility you have held in any aspect of your life. (300 word limit imposed) *

Positions I've held inside civil community : Head of Media & IT at SAE Alexandria collegiate chapter Active Member at MAC Club (NGO) Organizing couch for Intensive Capacity Building (ICB) part 3 Academic Research committee member at ALEXMEU13 Also I'm interested in computer programming especially Web Designing

These questions tell us something about how you respond in challenging situations. Please answer them using examples from your experiences in academic, social or working life

1. Please tell us about experiences and people that have over time shaped your decision to consider a management career within Unilever and in your chosen function in particular. What efforts have you made to test out your choices?(300 word limit imposed) *

1st I've participated at Unilever Experience day so, there is no doubt that I've taken this decision myself. Also the reputation of Unilever world wide as a leading company in manufacturing home/person consuming products beside they technology and my interest in the way they work, made me looking for further experience.

2. Using an example of a time when you were in a new environment and had to achieve a task, please describe a) how you established and used a network of contacts, and b) how you set about influencing people, to help you achieve your task. (500 word limit imposed) *

a- when it was my 1st time in my civil activities, randomly I was selected with unknown 3 people to do a research. I used my leadership and initiative personality to ask for their phone numbers and set a date for the next meeting to do this task. b- by setting the right person in the right place according to his ability, appearance, experience and commitment

3. Tell us about an occasion when you have taken the initiative to learn and develop yourself in significantly new ways. Why did you want to do this, what did you do and what was the result?(300 word limit imposed) *

once a time I decided to learn German, I used YouTube videos to know how to read and talk in German. I've decided because there was no available courses also I thought that I may need it in my work, the result excellent because till now I didn't forget what I've learned myself.

4. Tell us about a time when you saw the opportunity to really make a difference for the future of an activity, team or organization. What did you do, what obstacles did you overcome, and what happened as a result? (300 word limit imposed) *

once a time I had the idea of a project to develop the educational level in Alexandria, I decided to do it through civil initiatives but due to the political and safety circumstances in Egypt, the project can't be executed till now.

5. Tell us about a time when you have had to analyse and understand a complex situation in order to make decisions and put a plan into action. What did you do and what was the outcome? (300 word limit imposed) *

I was a couch of an event, there were not enough organizers due to sudden circumstances. I'd use 4 persons to do the job of 8. I changed the plan of organizing also the tasks of people to matchmaking the new situation and I worked myself to cover this gap and to enthuse my team.
