Interests Activities

We are interested in what you do / have done outside your academic work.

Please record your non-academic interests and activities stating whether at school, college, university or elsewhere. Record any positions of responsibility you have held in any aspect of your life. (300 word limit imposed) *

2011: Delegate at model Alex Youth Parliament held by ADWAR's Initiative. 2012-2014: Member at BMW Club Egypt followed by mentor at Solar systems chapter. 2013: Academic Researcher at Model European Union held by Step Up Youth Initiative. 2014: Member at PR Central Unit and Non-Formal Education Program at Step Up Youth Initiative.

These questions tell us something about how you respond in challenging situations. Please answer them using examples from your experiences in academic, social or working life

1. Please tell us about experiences and people that have over time shaped your decision to consider a management career within Unilever and in your chosen function in particular. What efforts have you made to test out your choices?(300 word limit imposed) *

Few can shape my decision, and always my decisions were successful, I planned tons of plans yet few achieved in few words, I don't forfeit.

2. Using an example of a time when you were in a new environment and had to achieve a task, please describe a) how you established and used a network of contacts, and b) how you set about influencing people, to help you achieve your task. (500 word limit imposed) *

PR environment: I was totally lost, I had to make sponsorship and partnership deals while I had few experience in that field, I had to ask the old experienced generation and share knowledge with other mates later I finished my tasks.

3. Tell us about an occasion when you have taken the initiative to learn and develop yourself in significantly new ways. Why did you want to do this, what did you do and what was the result?(300 word limit imposed) *

While studying in my college, I found my self unaware of many technical skills that I should have gained it by that time, and I dislike courses they took our money and sell nothing, so I started self study through online courses and reading technical book, the outcome is now when I'm going to graduate and I found my self having knowledge that few could acquire.

4. Tell us about a time when you saw the opportunity to really make a difference for the future of an activity, team or organization. What did you do, what obstacles did you overcome, and what happened as a result? (300 word limit imposed) *

2011: I saw that I can develop others while participating in civil society in Alexandria, followed by joining BMW Club and Step Up, I overcame my laziness and stopped playing video games and stood up developing my self and others, and the outcome is three years later when someone told me "thank you, you helped my developing my self".

5. Tell us about a time when you have had to analyse and understand a complex situation in order to make decisions and put a plan into action. What did you do and what was the outcome? (300 word limit imposed) *

Complex Situation: Planning for my graduation project. For 3 months me and my mates were planning for a whole hybrid green energy system and we did it, we built the system from the ground.
