Interests Activities

We are interested in what you do / have done outside your academic work.

Please record your non-academic interests and activities stating whether at school, college, university or elsewhere. Record any positions of responsibility you have held in any aspect of your life. (300 word limit imposed) *

2011's Summer: Delegate at Alex Youth Parliament held by ADWAR's Initiative. 2012-2014: Former Member at BMW Club, I occupied several positions. 2013's Summer: Academic Researcher staff member at Model European Union held by Step Up Youth Initiative. 2014: Currently member at PR Unit and Non-Formal Education Program at Step Up Youth Initiative.

These questions tell us something about how you respond in challenging situations. Please answer them using examples from your experiences in academic, social or working life

1. Please tell us about experiences and people that have over time shaped your decision to consider a management career within Unilever and in your chosen function in particular. What efforts have you made to test out your choices?(300 word limit imposed) *

I test my choices with results, nearly few affected my choice.

2. Using an example of a time when you were in a new environment and had to achieve a task, please describe a) how you established and used a network of contacts, and b) how you set about influencing people, to help you achieve your task. (500 word limit imposed) *

New environment: PR environment. a- I had to work on sponsors files, I was responsible for 3 files of companies and/or organizations, it started unprofessional later I learned how to act professionally. b- So I have to convince CSR department about our vision and partially I succeeded.

3. Tell us about an occasion when you have taken the initiative to learn and develop yourself in significantly new ways. Why did you want to do this, what did you do and what was the result?(300 word limit imposed) *

Summer 2011: I decided to take the path to civil work. I wanted this as I thought that formal education won't learn me enough, I need real experiences. I joined the Youth Parliament model, the result is a totally different person who never waste his time again.

4. Tell us about a time when you saw the opportunity to really make a difference for the future of an activity, team or organization. What did you do, what obstacles did you overcome, and what happened as a result? (300 word limit imposed) *

Time: February 2014, I saw myself responsible for the development of Step Up Initiative. What I did?: I set long terms and short terms goals and planned with other trusted friends how to develop our community through Step Up as new members. The outcome: soon to be judged but I think it will be fruitful.

5. Tell us about a time when you have had to analyse and understand a complex situation in order to make decisions and put a plan into action. What did you do and

what was the outcome? (300 word limit imposed) *

I had no idea about drifting and I have to decide whether I will join the racing team or not, I decided that I will join, I learnt drifting in two weeks.
