I got second place in Rachid Mohamed Rachid competition in Quran 2005 The ideal student at the Institute of Medina preparatory Head of the cultural, political committee, student union, Faculty of Science, Al-Azhar University The third highest votes in student union elections at all the faculty member at MOIC Al-Azhar "preparing now " making quizzes almost daily in lectures Goal keeper good reader Help high school students through doing tables to organize time weekly, Explanation, doing Lectures in Human Development and making models of exams love to work in summer every year teaching English for my friends

These questions tell us something about how you respond in challenging situations. Please answer them using examples from your experiences in academic, social or working life

1. Please tell us about experiences and people that have over time shaped your decision to consider a management career within Unilever and in your chosen function in particular. What efforts have you made to test out your choices?(300 word limit imposed) *

first i saw your trademark in alot of excellent products sec, Energizer stuff specially Eng Ahmed Hosny, Eng Haitham alkhwas and Manager of the company Eng Hisham Al shammaa you have many products in my career it took some effort

2. Using an example of a time when you were in a new environment and had to achieve a task, please describe a) how you established and used a network of contacts, and b) how you set about influencing people, to help you achieve your task. (500 word limit imposed) *

two examples for the two questions first .. when i won the student union there was 21 days only in the semester, The plan was making 7 competitions and seminar. we made the competitions but there wasn't free free place to make the seminar we made some contacts with doctors to get a place and one of them agreed we made team and divided the jobs and did it successfully the second .. when we did the models of high school exams i found it hard to contact with some good teachers to make the exams for me but i tried met some of them and told some friends to help me and then got the exams then we made a team and divided missions one write and print and thee to oversee the exams and one to collect the result

3. Tell us about an occasion when you have taken the initiative to learn and develop yourself in significantly new ways. Why did you want to do this, what did you do and what was the result?(300 word limit imposed) *

last year when i heard about Energizer summer intership i automatically applied , i trained at quality department and i got good experience in my career, developed my self in English and made good relationships one of this is this application i knew about this intership i decided to initiate and apply because i'm completely sure that it will help me to develop my self

4. Tell us about a time when you saw the opportunity to really make a difference for the future of an activity, team or organization. What did you do, what obstacles did you overcome, and what happened as a result? (300 word limit imposed) *

it was Al-Eid prayer , there was a design for the place but i wanted to change it , some refused, but i discussed the new idea with them and they accepted and the place was very good and the view was fantastic

5. Tell us about a time when you have had to analyse and understand a complex situation in order to make decisions and put a plan into action. What did you do and what was the outcome? (300 word limit imposed) *

one of my friends was very sad , he said to me " i won't succeed didn't study anything i won't pass this year " i asked him some question and analysed his answers then i found the problems is that he isn't good at English .i helped him and now he is on his way to be perfect at English
