Work Experience

Please give details of any work you have undertaken, indicating whether full-time, part-time, vacation work or industrial training etc (most recent positions first).

Interests Activities

We are interested in what you do / have done outside your academic work.

Please record your non-academic interests and activities stating whether at school, college, university or elsewhere. Record any positions of responsibility you have held in any aspect of your life. (300 word limit imposed) *

• I'm interested in psychiatry and what is related . • I was a delegate in "Rw ad el elhadara" (it is a university activity that aims to raise political and economical awareness among students) . • I'm interested in economy and what makes rich countries . • I'm interested in entrepreneurship and how to make a successful business . • I'm interested in health and what is related . • I'm general interested in reading .

These questions tell us something about how you respond in challenging situations. Please answer them using examples from your experiences in academic, social or working life

1. Please tell us about experiences and people that have over time shaped your decision to consider a management career within Unilever and in your chosen function in particular. What efforts have you made to test out your choices?(300 word limit imposed) *

•experiences : Unilever provided summer internship in my faculty last year and Colleagues that have applied said that it was so useful and interesting , specially for students seeking to expand skills and experiences within industrial engineering department of an international company . •people : 1.my colleague "Mohamed Mostafa" advised me to apply in Unilever to expand my skills in IE . 2. Dr/nagham elbreshy shared Unilever summer internship link on my department official group on Facebook . 3.my colleague Ingi abd elaziz advised to apply .

2. Using an example of a time when you were in a new environment and had to achieve a task, please describe a) how you established and used a network of

contacts, and b) how you set about influencing people, to help you achieve your task. (500 word limit imposed) *

That was my first session in "Rw ad elhadarh" , i have to work with a group members don't know each other . the task was to set a drawing and words express what we have learned in the previous lecture . first we have introduced ourselves . I asked how would everyone help , who could draw , paint and write . We have divided the tasks , begin to work together and finally we had a satisfactory work .

3. Tell us about an occasion when you have taken the initiative to learn and develop yourself in significantly new ways. Why did you want to do this, what did you do and what was the result?(300 word limit imposed) *

_The occasion was that Stanford university have provided a free online course of "Technology entrepreneurship" and i have applied. _I did so because I'm seeking to expand my skills in industrial engineering field , and also it will be useful when i set my own business . _I firstly joined a group to apply in the course , we have learned together . and finally i have got the statement of accomplishment.

4. Tell us about a time when you saw the opportunity to really make a difference for the future of an activity, team or organization. What did you do, what obstacles did you overcome, and what happened as a result? (300 word limit imposed) *

..

5. Tell us about a time when you have had to analyse and understand a complex situation in order to make decisions and put a plan into action. What did you do and what was the outcome? (300 word limit imposed) *

..
