Insider GUC-----FR and marketing member and fundraising head GUC----- GUC berlin marketing campaign ushering Civic Music GUC-----Fundraising member with extra work related to marketing and event planning

These questions tell us something about how you respond in challenging situations. Please answer them using examples from your experiences in academic, social or working life

1. Please tell us about experiences and people that have over time shaped your decision to consider a management career within Unilever and in your chosen function in particular. What efforts have you made to test out your choices?(300 word limit imposed) *

my parents who always encourage me to success and hard work. they manage to help me reach my goal for applying at the GUC mechatronics engineering with effort and money.

2. Using an example of a time when you were in a new environment and had to achieve a task, please describe a) how you established and used a network of contacts, and b) how you set about influencing people, to help you achieve your task. (500 word limit imposed) *

it was at the insider GUC where i held the title of fundraising head and had only 1 month to achieve a certain goal with inexperienced team which i managed to teach them and used my network of contacts to make work much easier.

3. Tell us about an occasion when you have taken the initiative to learn and develop yourself in significantly new ways. Why did you want to do this, what did you do and what was the result?(300 word limit imposed) *

fundraising at Civic music GUC where i was a member at first and know nothing so using the ability to observe and learn also using the internet and past experiences from friends i managed to learn all about it and it went really well as i am now fundraising head at the insider GUC.

4. Tell us about a time when you saw the opportunity to really make a difference for the future of an activity, team or organization. What did you do, what obstacles did you overcome, and what happened as a result? (300 word limit imposed) *

Insider GUC at the fundraising committee where i established the committee and train members to be able to do this job, i went over a bunch of problems as the lack of time, weak knowledge for the members and high expectations from the higher board. and as a result we managed to success putting a full plan job and well taught members, also significant results

5. Tell us about a time when you have had to analyse and understand a complex situation in order to make decisions and put a plan into action. What did you do and what was the outcome? (300 word limit imposed) *

when i first entered the GUC where it was a complex world with zero experience on my side and much a lack of time. i managed to overcome this by hard work, self learning and time management. the result is that i am now doing my bachelor thesis and managed to success at this university
