These questions tell us something about how you respond in challenging situations. Please answer them using examples from your experiences in academic, social or working life

1. Please tell us about experiences and people that have over time shaped your decision to consider a management career within Unilever and in your chosen function in particular. What efforts have you made to test out your choices?(300 word limit imposed) *

I've attended a session held at the faculty of commerce (2013) where differnt managers (PR Manager & Trade Marketing Manager) talked about working at Unilever. Good enviroment, team working, employee attetude & charety concern enfluenced me to join Unilever team.

2. Using an example of a time when you were in a new environment and had to achieve a task, please describe a) how you established and used a network of contacts, and b) how you set about influencing people, to help you achieve your task. (500 word limit imposed) *

When I first joined the faculty of Commece, I knew about EDU Egypt program & wanted to join it, i've told my friends about it but they refused to join at first, so I had to persuade them to join it with me & succeeded to persuade 5 of my friends to apply with me to this program.

3. Tell us about an occasion when you have taken the initiative to learn and develop yourself in significantly new ways. Why did you want to do this, what did you do and what was the result?(300 word limit imposed) *

I needed to improve myself. So I've joined EDU Egypt learning program where I'm learning English & BPO (Soft Skills & Advanced Computer skills). This improves my personal skills & helps me to find more job oppertunities.

4. Tell us about a time when you saw the opportunity to really make a difference for the future of an activity, team or organization. What did you do, what obstacles did you overcome, and what happened as a result? (300 word limit imposed) *

because of my short experience at work i didn't face such a situation but i'll use everything I've learned to solve the situation i case of facing it .

5. Tell us about a time when you have had to analyse and understand a complex situation in order to make decisions and put a plan into action. What did you do and what was the outcome? (300 word limit imposed) *

My plan is to have a good career. So, i first gained the ICDL certificate. Then joined EDU Egypt promgram to make a difference. Now , I'm trying to find a summer job oppertunity to improve my work experience.
