Work Experience

Please give details of any work you have undertaken, indicating whether full-time, part-time, vacation work or industrial training etc (most recent positions first).

Interests Activities

We are interested in what you do / have done outside your academic work.

Please record your non-academic interests and activities stating whether at school, college, university or elsewhere. Record any positions of responsibility you have held in any aspect of your life. (300 word limit imposed) *

I was one of the organizer of ICT conference in Alex. university

These questions tell us something about how you respond in challenging situations. Please answer them using examples from your experiences in academic, social or working life

1. Please tell us about experiences and people that have over time shaped your decision to consider a management career within Unilever and in your chosen function in particular. What efforts have you made to test out your choices?(300 word limit imposed) *

instructor have had a hand in shaping my decisions as they are good role models for me so that so that my parents encouraged and supported me

2. Using an example of a time when you were in a new environment and had to achieve a task, please describe a) how you established and used a network of contacts, and b) how you set about influencing people, to help you achieve your task. (500 word limit imposed) *

I used the network to contact with some people that i trusted they would help me and they have experience that would help me to achieve the task, I convinced them that this is an important task for all and it will help solve many of the problems and that it must be completed perfectly

3. Tell us about an occasion when you have taken the initiative to learn and develop yourself in significantly new ways. Why did you want to do this, what did you do and what was the result?(300 word limit imposed) *

Sometimes I have had difficulty in understanding some of the subjects that made me look for other ways and depended on myself in education and skills, that came to the e-learning by watching videos and search for what I know, and it gave me great experience in research and distance learning

4. Tell us about a time when you saw the opportunity to really make a difference for the future of an activity, team or organization. What did you do, what obstacles did you overcome, and what happened as a result? (300 word limit imposed) *

i still not saw the opportunity to make a difference for any activity as i still student and i didn't have much experience

5. Tell us about a time when you have had to analyse and understand a complex situation in order to make decisions and put a plan into action. What did you do and what was the outcome? (300 word limit imposed) *

i still student and i didn't have much experience
