I did not inter any activities outside my academic work.

These questions tell us something about how you respond in challenging situations. Please answer them using examples from your experiences in academic, social or working life

1. Please tell us about experiences and people that have over time shaped your decision to consider a management career within Unilever and in your chosen function in particular. What efforts have you made to test out your choices?(300 word limit imposed) *

A Lebanon woman who works in Unilever, she inspires me regarding her journey of work, what she is now, how she sticks to her dream till achieving it.

2. Using an example of a time when you were in a new environment and had to achieve a task, please describe a) how you established and used a network of contacts, and b) how you set about influencing people, to help you achieve your task. (500 word limit imposed) *

I was a leader in a group project and I tried to get contact with all the members of the group and manage the work and control the group discussions. Another experience that I was one of the members in a marketing project, we worked hard till the end we won with the most creative group and work over all other groups.

3. Tell us about an occasion when you have taken the initiative to learn and develop yourself in significantly new ways. Why did you want to do this, what did you do and what was the result?(300 word limit imposed) *

Events held by an expertise in their work, telling us about their experience.

4. Tell us about a time when you saw the opportunity to really make a difference for the future of an activity, team or organization. What did you do, what obstacles did you overcome, and what happened as a result? (300 word limit imposed) *

A club in my university who helps the poor people by educating them and find jobs and crafts to help them earning money by themselves. This target of this club is to improve our community.

5. Tell us about a time when you have had to analyse and understand a complex situation in order to make decisions and put a plan into action. What did you do and what was the outcome? (300 word limit imposed) *

In a group presentation in the last minute a member did not come to the presentation so we tried to wrap up this problem and make the presentation without this person and the presentation gone smoothly.
