These questions tell us something about how you respond in challenging situations. Please answer them using examples from your experiences in academic, social or working life

1. Please tell us about experiences and people that have over time shaped your decision to consider a management career within Unilever and in your chosen function in particular. What efforts have you made to test out your choices?(300 word limit imposed) *

The experiences that make me eager to join unilever that i have heard a lot about their achievements in production as it is one of the largest corporations that i want to build my career in it and also i am seeking to add a value to it and i have chosen manufacturing in specific because i am always interested in manufacturing and the process required to get out any final product.

2. Using an example of a time when you were in a new environment and had to achieve a task, please describe a) how you established and used a network of contacts, and b) how you set about influencing people, to help you achieve your task. (500 word limit imposed) *

It was when i entered my internship in Coca-Cola and i was asked to do reports about everything going in the plant and what i have learnt and at the same time i was seeking to prove to everyone that i am worth with this internship and that i can do the best and show my skills that i will be a good engineer so i asked everyone their and i used to learn everything going in

the plant and worked with every engineer with all my thoughts and effort till i submitted my reports to the managers their and i took all their support and help after they saw that i was keen to learn and enrich my technical knowledge.

3. Tell us about an occasion when you have taken the initiative to learn and develop yourself in significantly new ways. Why did you want to do this, what did you do and what was the result?(300 word limit imposed) *

The occasion when i took the decision to enter the activity to be able to learn soft skills and benefit others that's why i have chosen Enactus as it is interpenier activity the result of this step that i helped a lot of other people and i enlarged my soft skills from presentation,communication,interviewer and interviewee skills.

4. Tell us about a time when you saw the opportunity to really make a difference for the future of an activity, team or organization. What did you do, what obstacles did you overcome, and what happened as a result? (300 word limit imposed) *

It was about that was a problem in a certain activity about the setting of the interviews as the problem was about the number of applicants with the time of the interviews so i putted a plan to suit every applicant in a suitable time for him without affecting the interviewees time or getting unqualified ones so this problem would affect this activity badly if the interview phase go wrong it will give a bad image.

5. Tell us about a time when you have had to analyse and understand a complex situation in order to make decisions and put a plan into action. What did you do and what was the outcome? (300 word limit imposed) *

last semester we had a group design project that had to be finished in a tight time so we organized our team and distributed the tasks and we put to ourselves KPIS and we worked on ourselves till we finished the project and also it was applicable for usage and worked effectively.
