We are interested in what you do / have done outside your academic work.

Please record your non-academic interests and activities stating whether at school, college, university or elsewhere. Record any positions of responsibility you have held in any aspect of your life. (300 word limit imposed) *

in university i worked as a leader for 3 projects HR, MKT, IS subjects. and i got the benefit that i can organize, review the work and divide it on the group so it was good, moreover i joined a charitable organization and made some activities with them outside the university it was also good experience.

These questions tell us something about how you respond in challenging situations. Please answer them using examples from your experiences in academic, social or working life

1. Please tell us about experiences and people that have over time shaped your decision to consider a management career within Unilever and in your chosen function in particular. What efforts have you made to test out your choices? (300 word limit imposed) *

when i worked on a marketing project it seems to me its an new world with different experiences that may give me a chance to work outside the box we were interviewing managers and employees to fulfill certain task so its a good experience.

2. Using an example of a time when you were in a new environment and had to achieve a task, please describe a) how you established and used a network of contacts, and b) how you set about influencing people, to help you achieve your task. (500 word limit imposed) *

i went to the manager of Mercedes-Benz dokki branch as a group of 4 we had a 30 mins interview with the manager and we saw the branch and wrote a report about the interview we had with him.

3. Tell us about an occasion when you have taken the initiative to learn and develop yourself in significantly new ways. Why did you want to do this, what did you do and what was the result? (300 word limit imposed) *

i don't remember right now

4. Tell us about a time when you saw the opportunity to really make a difference for the future of an activity, team or organization. What did you do, what obstacles did you overcome, and what happened as a result? (300 word limit imposed) *

the turning point from choosing management faculty not the engineering and the results was so good i was feeling happy and satisfied.

5. Tell us about a time when you have had to analyse and understand a complex situation in order to make decisions and put a plan into action. What did you do and what was the outcome? (300 word limit imposed) *

i faced many problems at the beginning when i was year 1 in university due to the new definitions i took at the first semester as i took them before in another language in school, so it was a little bit harder to identify but it gone well.
