civil work activities like working in educational programme for youth development : Model of EU '13 as logistics committee member SHE project . women rights programme Model of security council '13

These questions tell us something about how you respond in challenging situations. Please answer them using examples from your experiences in academic, social or working life

1. Please tell us about experiences and people that have over time shaped your decision to consider a management career within Unilever and in your chosen function in particular. What efforts have you made to test out your choices?(300 word limit imposed) *

my father learned my how to take a decision by my self by working with him in his field and he know that i hate his work so he give me a cahnce to choose my career by my self and let me go to my own flat alone and he give me cahnce to travel alone around Egypt and make a relations with others

2. Using an example of a time when you were in a new environment and had to achieve a task, please describe a) how you established and used a network of contacts, and b) how you set about influencing people, to help you achieve your task. (500 word limit imposed) *

when i started work in civil work it was a new environment for me first it was poaring fo me because ia can't made interaction with people but when i take a first task i find all help me because i was friendly was them and i helped them befor i take my task

3. Tell us about an occasion when you have taken the initiative to learn and develop yourself in significantly new ways. Why did you want to do this, what did you do and what was the result?(300 word limit imposed) *

that day i found i didn't provide any thing to my self,my family and others . so i take a decision to develop my self through learning new things and star learn it to others and helped them to develop them self by working in civilw ork the result was very good for me i make an posive empact right now motivate people and do my best to help them rich goals

4. Tell us about a time when you saw the opportunity to really make a difference for the future of an activity, team or organization. What did you do, what obstacles did you overcome, and what happened as a result? (300 word limit imposed) *

the initiative that i work with had a chance to make a good work in organizing work but they didn't make it ..so i did my best to make this work by my slef with and i rich my goal . i met some obstacles like few number of committee members and limited resources

5. Tell us about a time when you have had to analyse and understand a complex situation in order to make decisions and put a plan into action. What did you do and what was the outcome? (300 word limit imposed) *

the head of logistics committee give me a task to be responsible about outdoor task . in one of our closing cermonies one of print office we was mada a deal with them didn't done the work and there was an houre to start the cermony so i take decision to go to onther one and pay more to get our things in one houre the out come was good but not like as we want
