Former member of Bdya(NGO), i w as a volunteer at Resala. i w as in the maadi swimming team for ten years and i w as an usher at the graduation ceremony in the german university in cairo

These questions tell us something about how you respond in challenging situations. Please answer them using examples from your experiences in academic, social or working life

1. Please tell us about experiences and people that have over time shaped your decision to consider a management career within Unilever and in your chosen function in particular. What efforts have you made to test out your choices?(300 word limit imposed) *

Unilever products are used in our daily lives also the fact that the company is one of the largest in the world and having one of the best reputations it w as clear that having a career at unilever w ould be a great choice.

2. Using an example of a time when you were in a new environment and had to achieve a task, please describe a) how you established and used a network of contacts, and b) how you set about influencing people, to help you achieve your task. (500 word limit imposed) *

During the graduation ceremony it w as a new experience for me and i had no idea w hat i should do. I communicated w ith my supervisor and asked my teammates for help.Both my supervisor and teammates helped me, i influenced people by w orking hard and showing them how keen i w as.

3. Tell us about an occasion when you have taken the initiative to learn and develop yourself in significantly new ways. Why did you want to do this, what did you do and what was the result?(300 word limit imposed) *

I needed to learn a new computer program for my thesis and i w wanted to do this because the program can solve complex equations w ith great accuracy and carry out simulations w hat i did is that i w ent on youtube and started to learn from tutorials and now i can use the program w ith ease.

4. Tell us about a time when you saw the opportunity to really make a difference for the future of an activity, team or organization. What did you do, what obstacles did you overcome, and what happened as a result? (300 word limit imposed) *

During a team project there w ere many conflicts between me and my teammates and the deadline w as coming up and w e w ere still not finished . So i took the opportunity and started communicating w ith all of my teammates so that w e could resolve all of out problems and that led to us finishing the project before the deadline.

5. Tell us about a time when you have had to analyse and understand a complex situation in order to make decisions and put a plan into action. What did you do and what was the outcome? (300 word limit imposed) *

There w as a problem w ith our project that me and my teammates couldn't solve so w e divided the problem between us so that everyone could check an aspect of the problem and together w e came up w ith the solution.
