I have been working as member in Sales team part time at Spark Egypt training Agency I have been working as member of Production Representative team from 2012 until now

These questions tell us something about how you respond in challenging situations. Please answer them using examples from your experiences in academic, social or working life

1. Please tell us about experiences and people that have over time shaped your decision to consider a management career within Unilever and in your chosen function in particular. What efforts have you made to test out your choices?(300 word limit imposed) *

I interested in Manufacturing and Unilever is multinational company which have many products I interested in Marketing and i want to improve my Marketing skills at Unilever

2. Using an example of a time when you were in a new environment and had to achieve a task, please describe a) how you established and used a network of contacts, and b) how you set about influencing people, to help you achieve your task. (500 word limit imposed) *

last year some students asked me to be member at my class i have asked about the work from other representatives who was elder than me to take their experiences and make it better this make me easily work with people who i didnt know before

3. Tell us about an occasion when you have taken the initiative to learn and develop yourself in significantly new ways. Why did you want to do this, what did you do and what was the result?(300 word limit imposed) *

last year some students asked me to be member at my class and because I want to improve my Social and team working skills and help my class for free i decided to accept this opportunity the result was i now can be easily communicate with people which i have never know before and i easily work in teams and become interested to work in many teams

4. Tell us about a time when you saw the opportunity to really make a difference for the future of an activity, team or organization. What did you do, what obstacles did you overcome, and what happened as a result? (300 word limit imposed) *

Last term before the final exam with about two weeks the doctor ordered the class to make presentation about forming technology in industrial applications the problem was we must form the team and choose our topic at this critical time before the exam and after the team chose me to be presenter but for me there was another target is making some people who are very good in presentations like my presentation to achieve this target i had presented to the team to know their opinion and to be real test to achieve my target

5. Tell us about a time when you have had to analyse and understand a complex situation in order to make decisions and put a plan into action. What did you do and what was the outcome? (300 word limit imposed) *

Last term before the final exam with about two weeks the doctor ordered the class to make presentation about forming technology in industrial applications the problem was we must form the team and choose our topic at this critical time before the exam we made a meeting for members and chose the topic which was forming technology in Automotive industry i chose this topic because i had successfully passed the Automotive course we made another meeting to make presentations for the members and to choose the presenters i was chosen by members with a girl we made the presentation and we was the only team who took the full mark
