Interests Activities

We are interested in what you do / have done outside your academic work.

Please record your non-academic interests and activities stating whether at school, college, university or elsewhere. Record any positions of responsibility you have held in any aspect of your life. (300 word limit imposed) *

i am interested in mass communication work, i have joined a club in AUC called "ICGE" to learn some basics things about graphics and this stuff.

These questions tell us something about how you respond in challenging situations. Please answer them using examples from your experiences in academic, social or working life

1. Please tell us about experiences and people that have over time shaped your decision to consider a management career within Unilever and in your chosen function in particular. What efforts have you made to test out your choices?(300 word limit imposed) *

in my university "GUC" the doctors and tutors are always talking about unilever and how it is such a great chance to work in it, and also unilever held campaigns at university, so it will be my honor to work in

2. Using an example of a time when you were in a new environment and had to achieve a task, please describe a) how you established and used a network of contacts, and b) how you set about influencing people, to help you achieve your task. (500 word limit imposed) *

when i was a trainee, the taught me time management, a task has to be finished in 10 minutes in order to be able to held the greatest number of customers, and also being nice to the waiting customers, even if it needs an apology for the time they have lost to wait until being served in order not to be bothered and satisfied with the service which will reflect high reputation.

3. Tell us about an occasion when you have taken the initiative to learn and develop yourself in significantly new ways. Why did you want to do this, what did you do and what was the result?(300 word limit imposed) *

i did this before when i have joined "icge" i wanted to learn what i loved and to develop myself, i felt good and proud, however it was not great and i haven't learnt much, but i am happy with the experience.

4. Tell us about a time when you saw the opportunity to really make a difference for the future of an activity, team or organization. What did you do, what obstacles did you overcome, and what happened as a result? (300 word limit imposed) *

i haven't been involved in such activities.

5. Tell us about a time when you have had to analyse and understand a complex situation in order to make decisions and put a plan into action. What did you do and what was the outcome? (300 word limit imposed) *

when i first entered university i didn't imagine that it would be hard. at the beginning my academic performance was not really good, i recognized that i have to work harder and my grades are better now.
