Work Experience

Please give details of any work you have undertaken, indicating whether full-time, part-time, vacation work or industrial training etc (most recent positions first).

Interests Activities

We are interested in what you do / have done outside your academic work.

Please record your non-academic interests and activities stating whether at school, college, university or elsewhere. Record any positions of responsibility you have held in any aspect of your life. (300 word limit imposed) *

At school I participated in Injaz Company Program and my team and I won the CRS award. At AUB I'm a member of the Red Cross club and do volunteer work. I volunteer at the children Cancer center of Lebanon.

These questions tell us something about how you respond in challenging situations. Please answer them using examples from your experiences in academic, social or working life

1. Please tell us about experiences and people that have over time shaped your decision to consider a management career within Unilever and in your chosen function in particular. What efforts have you made to test out your choices?(300 word limit imposed) *

I was a computer science career and I'm working hard in order to achieve it

2. Using an example of a time when you were in a new environment and had to achieve a task, please describe a) how you established and used a network of contacts, and b) how you set about influencing people, to help you achieve your task. (500 word limit imposed) *

in any new project a person is placed in a new environment and needs to achieve the task given. So upon that you need to use your contacts of people that may be references to you when you need help. Also sometimes you need to be the person that nags to get the job done

3. Tell us about an occasion when you have taken the initiative to learn and develop yourself in significantly new ways. Why did you want to do this, what did you do and what was the result?(300 word limit imposed) *

I developed myself by entering my major computer science before it I had no idea how to program and use any of the machines but now I'm quite good at it

4. Tell us about a time when you saw the opportunity to really make a difference for the future of an activity, team or organization. What did you do, what obstacles did you overcome, and what happened as a result? (300 word limit imposed) *

when participating in injaz company program we had to create a product, market and sell it. So in that company I was VP and I had to make sure everything is in place and working out.

5. Tell us about a time when you have had to analyse and understand a complex situation in order to make decisions and put a plan into action. What did you do and what was the outcome? (300 word limit imposed) *

I regret to inform you that I haven't been placed in this situation yet
