delegat in MEU12 at bibliotheca alexandria volunteer HR member in MEU13 AT bibliotheca alexandria FMA activity in college

These questions tell us something about how you respond in challenging situations. Please answer them using examples from your experiences in academic, social or working life

1. Please tell us about experiences and people that have over time shaped your decision to consider a management career within Unilever and in your chosen function in particular. What efforts have you made to test out your choices?(300 word limit imposed) *

my department is need to work hard on it so i encourage from my family by learning online and to work through it. as i know that unilever is an international company so i want to have the chance and experience by working and have many challenges in it.

2. Using an example of a time when you were in a new environment and had to achieve a task, please describe a) how you established and used a network of contacts, and b) how you set about influencing people, to help you achieve your task. (500 word limit imposed) *

first dividing the task on the team and the part that i see that i'm going to make it quickly and could understand it i'm going to begin to search on it as to achieve the task and deliver it to my leader as to see if i achieve by making this task or not.

3. Tell us about an occasion when you have taken the initiative to learn and develop yourself in significantly new ways. Why did you want to do this, what did you do and what was the result?(300 word limit imposed) *

before i enter my department as i want to know more about it so i have self learning at teach my self HTML as to see if i like my department or not as i succeed in it and make test for my self when i took that in my college it was so easy for me.

4. Tell us about a time when you saw the opportunity to really make a difference for the future of an activity, team or organization. What did you do, what obstacles did you overcome, and what happened as a result? (300 word limit imposed) *

when i was volunteer in MEU13 i was encourage the delegates to talk and participate create ways me and my team to motivate them as i found the result at the end change in there personality in positive way.

5. Tell us about a time when you have had to analyse and understand a complex situation in order to make decisions and put a plan into action. What did you do and what was the outcome? (300 word limit imposed) *

first i have to see the problem and then get different kind of solution and see every solution what it's effect if i take this decision and then take the risk by least negative effect on the decision that i'm going to take it.
