Please record your non-academic interests and activities stating whether at school, college, university or elsewhere. Record any positions of responsibility you have held in any aspect of your life. (300 word limit imposed) *

1-Film making 2-Photography 3-Table tennis 4-Football

These questions tell us something about how you respond in challenging situations. Please answer them using examples from your experiences in academic, social or working life

1. Please tell us about experiences and people that have over time shaped your decision to consider a management career within Unilever and in your chosen function in particular. What efforts have you made to test out your choices?(300 word limit imposed) *

As a matter of fact , a friend of mine had the chance to participate in THE QUEST and I really recognized , it should have been a fantastic experience to go through that challenge ... Considering my choices , I had made my engineering and manufacturing decision 5 years ago.

2. Using an example of a time when you were in a new environment and had to achieve a task, please describe a) how you established and used a network of contacts, and b) how you set about influencing people, to help you achieve your task. (500 word limit imposed) *

a) In my graduating project (SHELL ECO MARATHON) , I have been put several times through challenging tasks and as a design team leader I relied on my team mates for inspiring each other to come up with our design. b) To achieve my tasks , I had to look up for other teams in Europe , USA and Asia who had been put in the same challenge in the past years and we exchange experiences to attain the best.

3. Tell us about an occasion when you have taken the initiative to learn and develop yourself in significantly new ways. Why did you want to do this, what did you do and what was the result?(300 word limit imposed) *

In my graduating project , I had to learn myself new concepts and new ways which hadn't been taught in college....Through research and exchanging experience with other persons worldwide , I had put myself through my desired track

4. Tell us about a time when you saw the opportunity to really make a difference for the future of an activity, team or organization. What did you do, what obstacles did you overcome, and what happened as a result? (300 word limit imposed) *

In Film making , my team's idea is to make a difference in the way the people think about films through developing new ideas and techniques in our short films...Some routine and some obstacles had to be overcome during making any films and as result we had our films being viewed in FRANCE and GERMANY (look up for ARWAH TEAM)

5. Tell us about a time when you have had to analyse and understand a complex situation in order to make decisions and put a plan into action. What did you do and what was the outcome? (300 word limit imposed) *

In our graduating project , there had been a lot of similar times when I had to analyse the situation considering our design and make some critical decisions like learning some concepts , starting manufacturing and so on....Some times it didn't go the way we want but in whole we were moving forward.
