Work Experience

Please give details of any work you have undertaken, indicating whether full-time, part-time, vacation work or industrial training etc (most recent positions first).

Interests Activities

We are interested in what you do / have done outside your academic work.

Please record your non-academic interests and activities stating whether at school, college, university or elsewhere. Record any positions of responsibility you have held in any aspect of your life. (300 word limit imposed) *

i have been a leader in a scout's team, i have done some charity work with Resala organization, i have done also many activities like acting with the theater team and i have played basketball for several years so i am really good when it comes to work with a team

These questions tell us something about how you respond in challenging situations. Please answer them using examples from your experiences in academic, social or working life

1. Please tell us about experiences and people that have over time shaped your decision to consider a management career within Unilever and in your chosen function in particular. What efforts have you made to test out your choices?(300 word limit imposed) *

studying information and communication for 2 years in my faculty really helped me developing my skills and it clarified for me what i want to do for the rest of my life so i have searched for professionals whose careers are related to hr and communication and i asked them about their experiences and it made me more positive about my choices

2. Using an example of a time when you were in a new environment and had to achieve a task, please describe a) how you established and used a network of contacts, and b) how you set about influencing people, to help you achieve your task. (500 word limit imposed) *

i think this happened many times during the first year of college i was in a new environment, i didn't know any of the students and we had to work together to achieve our tasks i

remember it was easy for me to build new relationships and we were helpful for each other

3. Tell us about an occasion when you have taken the initiative to learn and develop yourself in significantly new ways. Why did you want to do this, what did you do and what was the result?(300 word limit imposed) *

I was a trainee for 2 weeks in middle east news agency it was a completely new major for me to work with journalists and i took the chance to learn how they work and how they get the news and deliver it to people i liked it very much and at the end i was able to help him with their work

4. Tell us about a time when you saw the opportunity to really make a difference for the future of an activity, team or organization. What did you do, what obstacles did you overcome, and what happened as a result? (300 word limit imposed) *

as a leader in the scout's team we needed to develop ourselves and take new courses for communication, charity and social work but we had financial issues with the administration so i worked it out and my team took care about half of the expenses

5. Tell us about a time when you have had to analyse and understand a complex situation in order to make decisions and put a plan into action. What did you do and what was the outcome? (300 word limit imposed) *

that happens when i take the leadership for our group in college to make presentation i have to make the plan of our teamwork and make decision for the division of the work and we accomplish our goals finally
